Printing

Welcome to your sampler

These pages come from the Peace by Page 90-Day Anxiety Journal. Try them for one week, about five minutes a day, and see how a small daily habit feels. Nothing here is dated, so start any day you like.

1

Fill in one daily page

Rate how today felt, write three good things, catch one worry and try a more balanced thought, then pick one small step for tomorrow.

2

Look back after day 7

The week 1 review helps you notice what helped and what was hard.

3

Color your reward

Finished the week? The coloring page is yours. No rules, stop whenever you like.

4

Keep the SOS card close

Cut it out and keep it in your wallet, bag or by your bed for the hard moments.

Printing

Print at "Actual size" on plain or 24 lb (90 gsm) paper. Colored pencils work best on the coloring page. Print the daily page as many times as you need for yourself.
